

The **Queensland College of Music** is offering the opportunity for **Secondary Schools in QLD** to partner with us so that your students can complete a nationally accredited vocational qualification in Music Industry during their senior years.

## COURSES OFFERED

CUA20615 Certificate II in Music Industry  
CUA30915 Certificate III in Music Industry  
CUA40915 Certificate IV in Music Industry

The partnership programs are an excellent pathway for students who are interested in studying music at a tertiary level.

## QCE and ATAR

The qualifications also provide credit points to the Queensland Certificate of Education.

Current credit points:

Certificate II in Music Industry - 4 credit points  
Certificate III in Music Industry - 7 credit points  
Certificate IV in Music Industry - 8 credit points

From 2019, the OP score will be no more with the implementation of the Australian Tertiary Admission Rank (ATAR).

Students will be able to choose four general subjects, plus one applied subject or one vocational education and training qualification at Certificate III or above.

The new systems will commence for students who enter Year 11 in 2019.

**Now is the time to start implementing the program by partnering with Queensland College of Music so you can offer vocational qualifications in Music Industry to your students.**

## BENEFITS FOR STUDENTS

- Completion of a vocational qualification in Music Industry while still at school.
- Possibility to continue to Diploma of Music Industry if the student meets the entry requirements.
- Gain credits for university studies.
- Gain a head start on a career in music and fast track into the industry.
- Build practical skills that will assist them to meet goals sooner.
- Reduced fees for school students.
- Gain valuable credit points towards the Queensland Certificate of Education (QCE) (2017 – 2018).
- Use the Certificate III as one of the required subjects for ATAR (2019 onward).
